Mr. Louis A. Canarelli,
Board of Education,
Newark, N. J.

Dear Sir:

You are hereby advised that I am in receipt of a second Baseball Permit from you. Upon receipt of the first one, I called your office and left word to advise you that The Newark Cubs were not quite ready to play bball and I would write you when they were ready. Evidently you did not get the message, and I thought it best to write you as I didn't want to keep the Park tied up.

Thanking you for your co-operation.

Very truly yours,
